- Review of new luncheon reservation form
- Establishment of critical dates for FY 02/03
- Review of all forms for updating

The April 30 meeting opened with Nancy introducing the Committee to Naomi Harper, who would be in charge of our Heinz program since Nancy would be unavailable on that day. Nancy went over the entire scheduling and program arrangements with the members present to make sure everything was in order. The teachers ACT 48 certificates will be available for any teacher attending the program. Once we got all the questions answered and we felt things were under control, Nancy and Naomi wished us well and they would see us on Saturday.

Dan Wilson brought our cancelled envelopes and stamp poster. Dan informed us that he would not be available to work on our Committee because he got a new job, but that Eileen would probably be back. We all want to wish Dan good luck in his new job and to thank him for doing an outstanding job on the Committee.

The preliminary luncheon attendance was around 122 people. More about this after the event takes place.

SPECIAL NOTES:

Please let us know whom we should make out the checks to for the cooking demonstrations. If you want us to mail them directly to the people, please provide us with the name and address.

Anyone who did not provide a list of performers/helpers, please do so. Certificates of participation will be made for each individual.

Donna has lists from: Bangladesh, China, Japan and Filipino
